PATENTS

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant: Krivitski & Drost                      Atty. Docket: 86017.000010  
Serial No.: 09/419,849                      Examiner:  
Filed: October 19, 1999                      Art Unit:  
Title: METHOD AND APPARATUS TO MEASURE BLOOD FLOW BY AN  
INTRODUCED VOLUME CHANGE

Supplement to Petition to Make Special Under 37 CFR §1.102(d)

Commissioner of Patents and Trademarks  
Washington, D.C. 20231

Sir:

Upon review of the Petition to Make Special filed on February 5, 2001, applicant's attorney identified an inadvertent error in timing of this submission of the documents. Specifically, the declaration of Cornelis J. Drost relating to the pertinent art references and Information Disclosure Statement filed therewith.

Applicant's attorney prematurely filed the Information Disclosure Statement on February 2, 2001.

Applicant's attorney represents the Information Disclosure Statement of February 2, 2001 was to be filed concurrent with the Petition and thus, referenced by the Declaration of Cornelis J. Drost.

I hereby certify that this correspondence is being deposited with the United States Postal Service as Express Mail No. EL769252970US in an envelope addressed to Commissioner of Patents and Trademarks, Washington, D.C. 20231 on February 9, 2001.
